Senate Bill 384: Alcoholic Beverages & Hours of Sale

Currently, the state's Alcoholic Beverage Control Act bans the sale of alcohol between the hours of 2 a.m. and 6 a.m. A violation is a misdemeanor offense. SB 384 would allow an on-sale licensee to apply to the Department of Alcoholic Beverage Control (ABC) to authorize the sale of alcoholic beverages at licensed premises between the hours of 2 a.m. and 4 a.m., under the specified requirements of the local jurisdiction in which the licensee is located. Join us to learn more about this proposed legislation and to discuss if later operating hours would benefit specific areas of DTLA.

Special Guests: Don Perata & Bridget Boyd, Brownstein Hyatt Farber Schreck, LLP

Los Angeles Trade Tech Community College

The Los Angeles Community College District has completed several major renovations and additions at facilities throughout the City. CCA members are invited to learn more about the physical improvements and programmatic enhancements at Los Angeles Trade Tech Community College (LATTC). LATTC is located on Washington Boulevard at Grand Avenue, adjacent to a Metro Blue Line station and an Expo Line station. It is a great asset for DTLA residents and employers.

Special Guest: Larry Frank, President, LATTC

Emergency Preparedness

How quickly your company can get back to business after a terrorist attack, fire, or flood often depends on emergency planning done today. Join us to hear from the City of Los Angeles Emergency Management Department (EMD) about common sense measures business owners and managers can take to start getting ready. Representatives from EMD will discuss what kinds of emergencies might affect your company and how to create a crisis communication plan, which details how you will be in contact with employees, customers and others during and after a disaster.

Special Guests: Aram Sahakian, Brent Woodworth and Larry Meyerhoffer, Emergency Management Department
